## DESIGN BY TIMO RIPATTI

Timo Ripatti 接受过家具设计师和建筑师的教育，在设计领域有着广泛的工作。

他的工作经历从照明和家具设计到芬兰和国外的大型建筑、展览和室内设计项目，偶尔参加美术馆展览。现在，他在赫尔辛基领导设计公司 STUDIO RIPATTI。该工作室主要在产品设计领域与欧洲各地的客户合作。他的使命是将美学、诗意和功能性的品质结合到他的作品中。他努力设计人体尺度的产品，使其与空间和建筑完美平衡。他追求在愿景、生产技术、服务和可持续发展方面与品牌最高质量地合作。

Educated as a Furniture Designer and Architect Timo Ripatti has worked widely in the design field.

His work history varies from lighting and furniture design to large-scale architectural, exhibition and interior design projects in Finland and abroad with occasional participation to art gallery exhibitions. Now he leads design company STUDIO RIPATTI in Helsinki. The studio is working mainly in the field of product design with clients across the Europe. His mission is to combine aesthetic, poetic and functional qualities into his works. He strives to design human-scale products that work in a perfect balance with the space and architecture. He pursues to work with the brands of the highest quality in the means of vision, production technology, service and sustainability.

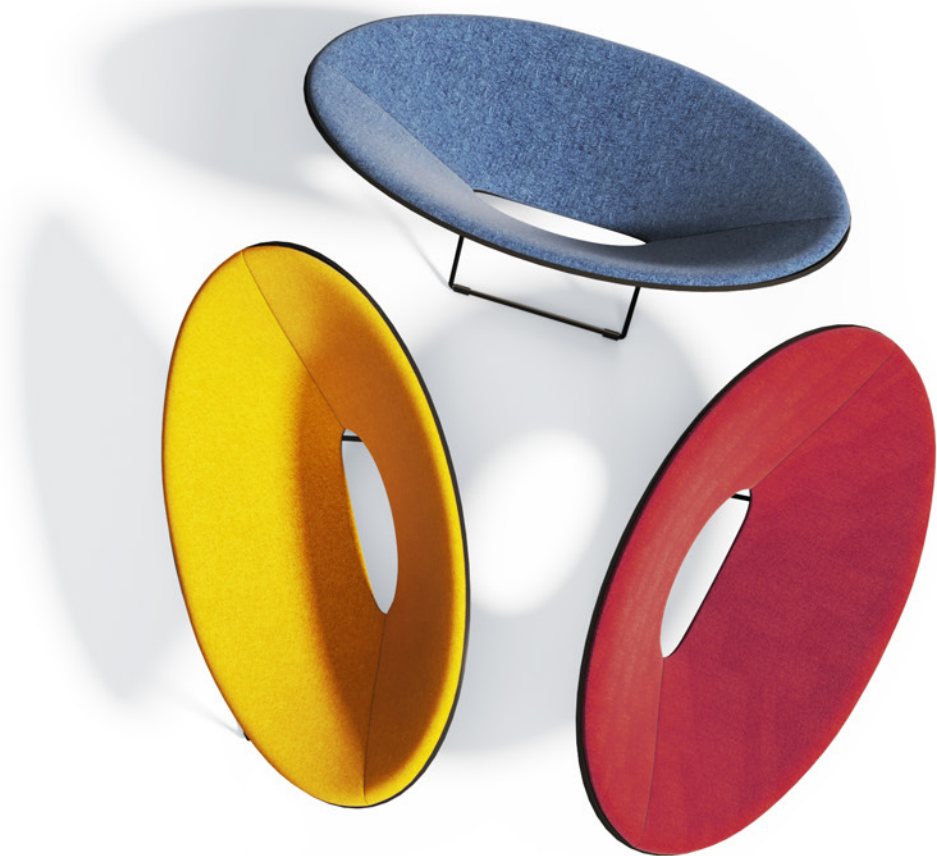

## Ellipse

Ellipse椅, Timo Ripatti 设计于2008。Ellipse椅子为使用者创造了自己的保护和个人空间。空闲的时候,这把椅子是敞开的,很有吸引力,很出众,是一件耐用的家具。Ellipse是一个独立的个体,但在大堂、酒吧或其他公共区域也非常适用。框架为10mm钢管。

Ellipse chair, design Timo Ripatti 2008. The Ellipse chair creates its own protective and personal space for its user. When empty, the chair is open and inviting, outstanding and a durable piece of furniture. Ellipse is an individual and independent entity but nevertheless easy to group in lobbies, bars or other public areas. The frame is 10 mm steel rod.
